Rutgers School of Business-Camden Accelerated Dual-Degree BA/BS-MBA Program

The Accelerated Dual Degree Program with Rutgers School of Business-Camden (RSBC) offers highly motivated undergraduates an opportunity to accelerate their MBA studies. Students apply for program admission in the second semester of their junior year, and if admitted, begin graduate work in their senior year. Dual Degree students enroll in up to 12 credits of graduate courses as fulltime undergraduate seniors. At the end of their senior year, students earn the Bachelor's degree; Biology and Economics students will be eligible for certification of a Minor in Business Administration at the time of degree conferral. Students then formally apply for matriculation into the MBA program, become fulltime graduate students and will pay graduate tuition.
